

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEBRASKA

UNITED STATES OF AMERICA,

Plaintiff,

vs.

ANTHONY TODD WEVERKA,

Defendant.

4:17CR3039

ORDER

Defendant will be participating in pretrial diversion. The government therefore moves to continue the progression and trial of this case. (Filing No. 40). Based on the showing set forth in the motion, the court finds the motion should be granted. Accordingly,

- 1) The government's motion to continue, (Filing No. 40), is granted, and the trial of this case, previously scheduled for January 8, 2018, is continued pending further order of the court.
- 2) For the reasons set forth in the motion, the court finds the ends of justice served by granting the parties' request to continue progression and trial of this case outweigh the interests of the public and the defendant in a speedy trial, and the additional time arising as a result of the granting of the motion, the time between today's date and the completion of this matter, shall be deemed excluded in any computation of time under the requirements of the Speedy Trial Act. 18 U.S.C. § 3161(h)(7). Failing to timely object to this order as provided under the court's local rules will be deemed a waiver of any right to later claim the time should not have been excluded under the Speedy Trial Act.
- 3) If the case is not dismissed on the government's motion before July 12, 2019, a status conference will be held before the undersigned magistrate judge on July 12, 2019 at 9:00 a.m.. Unless the court later orders otherwise, the defendant may, but need not attend the status conference. If the defendant attends, the status conference will be held in Courtroom 2, Federal Building, 100 Centennial Mall

North, Lincoln, Nebraska. If the defendant does not attend, the status conference will be held in chambers.

January 2, 2018.
